

Urbanista *Rome* - an audio product developed with attention to details and with a battery life of up to 16 hours, long enough to follow you throughout your busy day.

Rome has a light and flexible Bluetooth neckband with built-in controls for music and calls so you don't need to reach for your phone while on the go. Rome neckband is designed with subtle accents which makes it stylishly versatile and enable you to multitask in style. The battery life is amazing and provides 16 hours of continuous play time and up to 600 hours of standby time. When not in use, the earbuds can be attached to the magnetic neckband ends. Don't mind the rain. The neckband is water resistant (IPX4) and optimal for rainy days or sweaty gym sessions.

Rome is compatible with Android, iOS & Windows.

Retail price. 69:99 EUR
