CLCKR Announces a new range to add to its line-up of phone cases and stands

The stylish new designs include Carbon Fibre, Perforated, Studio and Saffiano finishes

For immediate release: 15th June 2020, London, United Kingdom - [CLCKR](https://www.clckr.com), the mobile phone accessory company, announced today a new range of designs to add to their line-up of phone cases and stands, including Studio (clear), Carbon Fibre effect, Perforated and Saffiano finishes in a range of colours. The products are available to order from <https://www.clckr.com/uk/clckr-case>

The brand-new range includes phone cases with an in-built CLCKR stand and grip are available for iPhone 11, iPhone 11 Pro Max and iPhone 11 Pro, as well as a universal CLCKR stand and grip that fixes directly to the device. All the cases are drop tested up to 2.2m and are compatible with Qi certified wireless chargers.

Protect Your Phone in Style

Available in two colours, Black and Navy Blue, the phone cases or universal stands are available in a choice of four materials:

Carbon Fibre - A stylish and modern effect which also gives extra grip and protection for your device. Priced at £34.99

Saffiano - Made using a PU Saffiano material, the crosshatch effect gives this case a sleek, smart and classy feel. Priced at £29.99

Perforated - Boasting circular perforations give the perfect mix of edgy and sporty and is ideal for everyday use. Priced at £34.99

Studio - The clear design of the case allows you to show off the colour of your device whilst the CLCKR is made from a soft PU material for comfort when using. Priced at £24.99

CLCKR: The accessory you didn't know you needed

CLCKR is a gadget designed for those who love to live a life of convenience. The universal stand or CLCKR stand cases allow you to watch your favourite TV show or series, hands free, in portrait or landscape mode. You can video call your family and friends or turn your phone into a home office companion.

“We’ve designed CLCKR to be a truly universal accessory which can allow anyone to get the most from their mobile device,” said Chief Marketing Officer and Managing Direct of CLCKR Phil Mullholland.” We’re pleased to announce our four newest designs which are sophisticated, stylish, and robust, complying with military drop test specifications to protect your device while effortlessly making everyday tasks easier.”
